6 December 1978

MEMORANDUM FOR: Deputy Director for National Foreign Assessment  
FROM: Director of Central Intelligence  
SUBJECT: Upcoming Presidential Trips

25X1

1. It is my understanding there are at least three overseas  
Presidential trips scheduled for the first half of 1979:

- a. Guadeloupe: 5-6 January, for a conference with  
European leaders;
- b. Mexico: January-February (?);
- c. Japan, South Korea: May.

2. You may already have this, but I just thought I'd sum it up  
so we could think about support.
